## The Lancaster vs. Depew Football Rivalry

In 1919 Lancaster High School recognized their first official High School Football team. Shortly after this was established, Depew High school formed their own team, setting of a rivalry that has spanned nearly the entire 98 years organized football was played in the Twin Villages. In 1919 the two rivals played twice, the first game resulting in a 0-0 tie, the second; a 6-0 victory from the boys from Depew. According to local Lancaster historian Mary Jo Monnin, the sole purpose of both schools fielding a team was to play each other. The teams did not play from 1921-1924, and 1929. The rivalry got so heated as controversy ensued, that the games ceased to be played from 1933-1940. Only a shift in league play forced the two “Neighbors” to resume playing. In 1993, USA today listed the game as one of the “Top 15 High School Football Rivalries in the United States”. The game is currently recognized yearly by the Great American Rivalry series, which streams the game online world wide.

As you step onto that field in full pads for your first game of your Senior Year, I hope you walk with confidence, banking on the time and effort you've put into this game.

I can see a lot from my seat in the stands —  
I see the way you push through the pain of a hard play  
I see the way you respect your coaches  
I see that grin of achievement for a play well done

And I also see the way you always support your teammates, that sacred football brotherhood through injuries, good and bad days. Your teammates are always there for you, too, lifting you up and supporting you just the same. But what I want you to know is, playing or not, winning or losing, I'm proud of YOU!

*Lancaster Football's favorite breakfast is at Olive Tree. The Aronis family have been tremendous supporters of Lancaster Football and the entire Lancaster Community for more than a decade.*

*– Thank you!*

The newly remodeled Olive Tree is under the new ownership of Mr. Stavros Aronis. Stavros is an LHS grad and he led the Lancaster Varsity Football team to the sectional finals in 2007. He was awarded the highly coveted "Tomahawk Award" during his senior year in recognition of the punishing hits he put on the opposing team. This may be a surprise to many because Stavros always greets his customers with an engaging smile along with an extremely friendly, kind and soft spoken demeanor. The Aronis Family opened the Olive Tree in 1997 and have been tremendous supporters of the Lancaster Community for more than 25 years.

*Lancaster Football's favorite breakfast is at Olive Tree. The Aronis family have been tremendous supporters of Lancaster Football and the entire Lancaster Community for more than a decade.*

*– Thank you!*

The newly remodeled Olive Tree is under the new ownership of Mr. Stavros Aronis. Stavros is an LHS grad and he led the Lancaster Varsity Football team to the sectional finals in 2007. He was awarded the highly coveted "Tomahawk Award" during his senior year in recognition of the punishing hits he put on the opposing team. This may be a surprise to many because Stavros always greets his customers with an engaging smile along with an extremely friendly, kind and soft spoken demeanor. The Aronis Family opened the Olive Tree in 1997 and have been tremendous supporters of the Lancaster Community for more than 25 years.
